I had a rough day at work modeling lingerie today. Fortunately for me Tyler is always there to make me feel better, but he just wants to sleep. At first he resists my advances, but he gives into me after I get him 'up.' After all, a warm mouth around his cock, is a good wakie-wakie.

I hated to study until I hired this sexy exotic looking tutor. On our first day, I dressed all cute and had a hard time focusing on the work. However, I had a great time focusing on his bulge. After he finally relented, I was all anxious to learn how to suck and fuck it.

AUBREY'S EXPLORING

The backyard is this sweet young thing's playground. With no one around except our intrepid cameraperson and her assistant, its playtime. Aubrey finds her panties are too tight, so they have to come off. Her pussy is now wet, so she has to rub it. And her horniness must be satisfied so out comes her trusty dildo, and it goes in.

"MS. AMES, YOU'RE PUT ON NOTICE"

"If you don't have the rent money, then you have to go!" says gorgeous landlord Darcie.

"But I'll be getting paid in a week. I'll pay you then. Maybe I can talk you into forgiving me for the month?" says August.

""No, you can't talk me into it, but there may be another way." Darcie suggests.

"If there is, I'll do it. What is it?" asks August?

VICTORIA PLAYS HOUSE

There are days when I get up and my pussy's already wet. That's when I put down the vacuum and call Brando to come over and service me. He's very obedient and I treat him with the respect he deserves. The first thing I do is a little strip for him before I suck his cock to be sure he is very aroused. Then I'll make him lick my pussy I make him fuck me!

COULDN'T WAIT FOR HIS COCK INSIDE ME

A carpet installer gets to lay more than carpeting

Like that. Faster. Harder. Make me come again!" She gasped as her hips pushed up at my thrusting dick. As she came for the third time, I lost complete control and groaned as my cock juice spurted into her sucking cunt.

I lay there on the plush carpet, trying to catch my breath. In all my years of installing carpeting, nothing like this had ever happened. Oh, I've seen my share of pussy. Housewives are notorious for under-dressing, and most of them are just Plain Janes. But a naked thigh can make them seem like movie stars to a lecherous old man like me.

There was nothing unusual about the job, at first. I arrived at about 7:30 and was greeted at the door by an auburn-haired. She was dressed in an old pink bathrobe, her hair messy from sleep. Not exactly a beauty queen. I hauled in my tools and set about moving the furniture out of the room.

The woman of the house reappeared a few minutes later, looking much better. Her hair was combed and it hung over her bare shoulders. She had on a low-cut summer dress; it was bright yellow.

She seemed friendly enough. She talked like a chatterbox, even offering me some coffee. It took me only about two hours to finish laying the carpet. The woman followed me around the whole time, talking constantly. I guessed she was lonely. Just as I was tacking down the last piece, she stretched out on the newly carpeted floor, right in front of the fireplace.

Her body was less than a foot from where l was working. Her dress was hiked up to the top of her thighs. I could see the crotch of her panties hell, I could almost smell her pussy every time I leaned over.

I have to admit that I didn't rush with that final piece of carpeting. The view was fantastic. I could feel my prick beginning to get hard. Of course, l had no intention of doing anything more than to look. I have a wife and kids at home.

"My husband is right," she squealed, shaking me out of my trance. "The extra padding will make fucking in front of the fireplace better." Her hips humped up at thin air as she spoke. My dick jumped up too. I knew I had to get out of there, and fast.

I didn't say anything, though. I couldn't. I began gathering up the loose scraps and my tools. Suddenly I was in a hurry to get on to the next job. Still, I couldn't help glancing at the woman on the floor. Her legs were spread wide open and her panties hugged the shape of her swelling pussy lips.

"Do you like fireplace sex?" she asked. There was a glassy gleam in her eyes, kind of like the one my wife gets when I've been eating her snatch.

"Take it or leave it," I answered. "We don't have a fireplace. With two kids, the only place we fuck is the bedroom, late at night "

Her breathing was getting faster as she writhed for me. "Would you do me a favor?" she asked. "It's crazy, but I've got to know."

"You're the customer, ma'am," I said. "If I can help, I will."

"Lie on top of me, like we're having sex. You're about the same size as my husband. I want to see how the new carpet feels with a man on top of me."

I knew better, but every man has

his breaking point. I wanted to feel my prick touching her succulent pussy. I knelt between her open legs and barely touched the top half of my body against hers. My weight was still supported by my knees. I wasn't sure how she would react if she felt my hard prick.

"Come on," she smiled. "I won't bite you. Put your weight on me. I won't break." She put her hands on my ass as she spoke and pulled me down. My prick nestled in the groove of her pussy. I could feel the heat through my work pants.

"It feels great," she said, her lips nib bling my ear. "Ronnie will get more pussy than he can handle from now on, with this new carpet. Does it hurt your knees?"

"No, ma'am," l replied, using every scrap of my willpower to keep from pulling her panties down and driving my hungry prick into her pussy. "Is that enough?" I asked, still hoping to escape. Her reply was a hand behind my neck, pulling my mouth to hers as her tongue sprang between my lips. At the same time she began pushing her hips in a steady rhythm against my excited cock. I was a goner!

"Fuck me!" she pleaded, "I want you inside of me. Please!" In a split second I was tugging her panties down her shapely thighs as she held her ass up to make it easier.

I was in no hurry. This was a once in-a-lifetime chance, and I didn't want it to be a quickie. I wanted to make her beg some more before I rammed my rock-hard cock into her willing snatch.

She swooned when I put the moist crotch of the panties to my face and sniffed and licked them. I was ready to shoot. Her legs were spread wide; the lips of her pussy were wet and shiny with her juice. Her clitoris was swollen, begging for a kiss.

I placed my finger in the wet channel of her hot box and moved it slowly up and down. Her hips moved against it like it was a prick. She gasped for breath and had her first orgasm. I couldn't believe it! She had a hair-trigger snatch!

I can usually make my wife come, if I set my mind to it, but it takes hours. Making her come can be a lot like working. But this hot little number on the carpet was so sensitive that she could think herself off!

Since my finger had been so successful, I decided to try my tongue. I started at her ankles and licked my way toward her cunt. The closer I got, the more she squirmed. "Eat me, lick me, please!" She was almost screaming by the time my tongue touched her quivering clit. And touch is all I did. She went off like a roman candle.

Her knees locked over my ears as she humped her pussy wildly against my face. Her second orgasm must have lasted a good ten minutes. When she finally released me, I rolled over beside her and tried to catch my breath.

She wasted no time as she began unbuckling my belt and removing my pants. She didn't bother with the underwear. Instead, she simply reached in and grabbed my stiff dick. I noticed a big wet spot on the front of my shorts, where my prick had already been leaking.

I pushed the shorts down as she held on to my prick. She paid me back for some of the torment I'd given her as she very slowly moved her mouth toward the swollen purple head of my twitching cock. I was afraid one touch of her magic mouth would make me gush like a volcano.

Her hot, sucking mouth was even better than I'd imagined it would be. Somehow I managed to hold on as she lapped all around the head, in between long strokes down her throat.

Her supersensitive clitoris saved me from filling her mouth before I could feel my dick in her cunt. I rolled the soft pink nub gently between two fingers as she sucked me. She thrashed around on the floor, coming even harder than before.

I felt like a super stud. I was able to make her come just about in a single stroke. Before she could recover, I climbed on her thrashing body and slipped my cock into her juicy pussy. She screamed as her legs locked around my shoulders. The angle was fantastic. Her quivering pussy was totally open to every thrust. I went slowly at first. I knew it would take only a few strokes before I would let loose with my gusher.

I held on pretty well until she began to come again. That pussy of hers started squeezing the cum from my balls and then it all shot out. She milked me dry and even licked me clean before we dressed. My buddies at work told me things like this could happen, but I always figured it was bullshit. Now I'm a believer.

You can bet none of my buddies will hear about this woman, though. She plans to have me install a carpet in the bedroom next. It's one job I plan to handle—personally.

ready teddy

I was alone in my office when the new secretary came in. Carolyn had started about three weeks before. She was a looker, with long, dark hair, bright blue eyes, and cute, big-nippled boobs that would make any guy drool. Best of all, she liked older men. She'd made that clear from the beginning.

That morning, she got right to work—so to speak—by walking over and grabbing my crotch. My cock quickly grew as long and as hard as a baseball bat. Turned on beyond belief, I pushed my hand under her skirt to find that she wasn't wearing panties. Surprised and pleased, I brushed my fingers through her pubic hair and stroked one finger down the slit of her cunt. My mouth was watering already.

She unzipped me, reached inside my fly, and pulled my cock out. She began stroking me almost desperately as I slid my finger inside her. When I pressed two fingers inside her, she yanked open my belt with both hands, then unbuttoned my pants and pushed them and my shorts down to my knees.

She grabbed my bare cock and starting yanking. Her voice was soft and hushed when she said, "You got a rubber, boss?"

Did I have a rubber? My buddies don't call me Ready Teddy for nothing. I pulled a condom from my shirt pocket and quickly, clumsily tore open the packet. Carolyn held tight to my nuts and muttered, "Hurry up," as I rolled the rubber down the long length of my cock. My cock may not be thick but let me tell you, it's one long fucker with a big, plump head.

As soon as my cock was snug in its rubber, Carolyn slid to her knees. I was disappointed because I wanted to poke my fingers into her warm, wet, gooey cunt. But my disappointment vanished like smoke when Carolyn locked those bright red lips around my cockhead and started nibbling, gnawing at that big old head while she played with my balls.

That young girl was one practiced cocksucker. She downed my full, sleek length in one gulp. I gasped when her nose rubbed against my cock hairs, because I didn't expect it and was damn near ready to shoot off. She moved her mouth up because she must have sensed I was ready to pop my load right in her mouth. She didn't want that, and neither did I.

"You all ready?" she asked, and jumped to her feet.

I was holding the quivering shaft of my cock when she flipped her skirt and aimed her cunt directly at my target. Suddenly, that warm, wet cunt surrounded my cockhead.

I whimpered as I felt her muscles clamp snugly around the shaft of my cock, sending quivering sensations up my spine. She groaned, too, and almost threw me off balance when she wrapped her legs around my thighs.

That girl was fucking wild. And it's a good thing I have a strong back because I was holding her up. Hell, I was holding us both up. My cock slid up her cunt to the hilt, and she clung to my back while I started humping. It was amazing—me holding Carolyn up in mid-air with my cock slamming wildly in and out of her pussy. But she had control and humped her ass back and forth, my cock plugging in and out until we were both shaking.

Her hands wound around my neck, her boobs almost burning through my white shirt as their full, warm flesh pressed against me. When I felt her hard nipples poke into my chest, I almost lost control and dropped her. Quickly, though, I grabbed her ass and pressed her into me so hard, I thought my cock would pierce her body and come out of her ass.

She was biting my neck, slobbering over me. I brushed my face through her hair to chew her neck while my cock was throbbing inside her.

"Yes, yes, yes, yes, yeahhh!" I was muttering, my balls hard as marbles. I knew I was about to pop. I gripped her bare ass so hard she screeched and tossed her head back. I knew she was coming, because her cunt started pulsing around the shaft of my cock. I grunted, I groaned, I plowed deeply inside her and stayed there because my cock exploded. While I humped and quaked, the whole fucking world shook. And I damn near dropped us both.

Carolyn quickly landed on her feet. I got my sea legs back. She straightened her skirt and brushed her hands over it. I unrolled the bloated rubber from my cock, tossed it in the trash, pulled up my shorts and my pants, zipped up, and buckled up. I straightened my tie. Carolyn stroked her fingers through her hair.

"Thanks, boss," she said.

"Anytime," I said. And I meant it. Ready Teddy is always ready, certainly willing, and sure able.

PORNSTAR INTERVIEW

Sweet And Sinful!

Stunning 5'5" brunette Skin Diamond is of mixed German, Danish, Czech, Yugoslavian, and Ethiopean descent. Skin moved to Scotland when she was four-years-old, and lived in the town of Dunfermline for almost 20 years. Diamond started out in the adult entertainment industry as a fetish and erotic model, performing in explicit hardcore movies in her early twenties in 2009. In 2012, Diamond's hardcore hard work paid off when she was awarded an AVN award for "Best Three-Way Sex Scene."

"If you don't have a flavor for pussy, then don't eat it."

—S. Diamond

SWANK: ***Your are remarkably flexible in your performances. Did you study gymnastics or were you ever a cheerleader?***

Diamond: Growing up, I was very active and actually did gymnastics while on horseback. I also dabbled in a bit of ballet. Since studying that for so long, and keeping so fit, it helped keep me nimble.

SWANK: ***That makes so much sense as your sexual movements are so fluid and quite graceful.***

Diamond: I suppose I have muscle memory to thank for that, you know.

SWANK: ***How do you keep your body so tight?***

Diamond: Actually, I rarely workout. Instead, I get most of my exercise while performing in my scenes. Having sex is a great way to work up a sweat. I try to do Pilates as often as I can, which usually only amounts to about once a month. Work keeps me busy.

SWANK: ***You are so exotically beautiful. What is your heritage?***

Diamond: My father is Ethiopian and Danish. And, my mother is Czech, Yugoslavian, and German. I am quite the mix. People have asked me that question very often. In fact, in some of my pictures and because of the shape of my eyes, some people think I am Asian.

SWANK: ***What music do you enjoy listening to during sex?***

Diamond: Well, my favorite type of music to listen to during sex is a genre of music called Dub Step, a form of electronica. But, if the sex is good, you sort of forget all about music in the room and just concentrate on your partner. I love music and listen to all types. It all depends on my mood. Sometimes, I want to hear Metal, other time I want to hear Dub Step, and sometimes, it has to be Johnny Cash.

SWANK: ***What is your favorite aspect about the adult industry?***

Diamond: The best aspect is that I get paid to have fun. I still can't get over the fact that this is what I get paid to do now. My job is to get paid for having incredible orgasms. It's awesome!

SWANK: ***What sucks?***

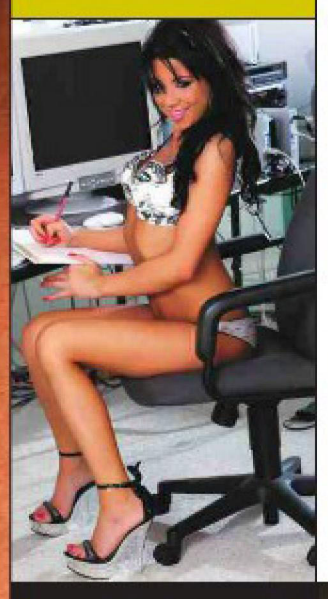
Diamond: It sucks having to work with someone that I don't like. That's never fun, but is thankfully, a very rare occurrence. Usually, if I don't like somebody then I just won't choose to work with them again. There was a time on set when I person I was scheduled to work with was an absolute asshole to me. His attitude was totally uncalled for. I thought to myself, 'Man, I'm going to have to try real hard to not fuck your dick off right now!' It also sucks when I'm paired in a lesbian scene with a girl who is really not into

having sex with girls. That really blows. It's frustrating, because it means I have to work twice as hard, especially if the girl is just lying there, expecting me to do all of the work. If you don't have a flavor for pussy, then don't eat it.

***SWANK:** What is your idea of a perfect date?*
Diamond: I enjoy spontaneity, so anything spur of the moment and unplanned would be great. My ideal dates happen when I'm not even expecting to go out on a date. It's fun when you meet someone randomly and just go for it. You may not ever see that person again, but the date is one you'll always remember.

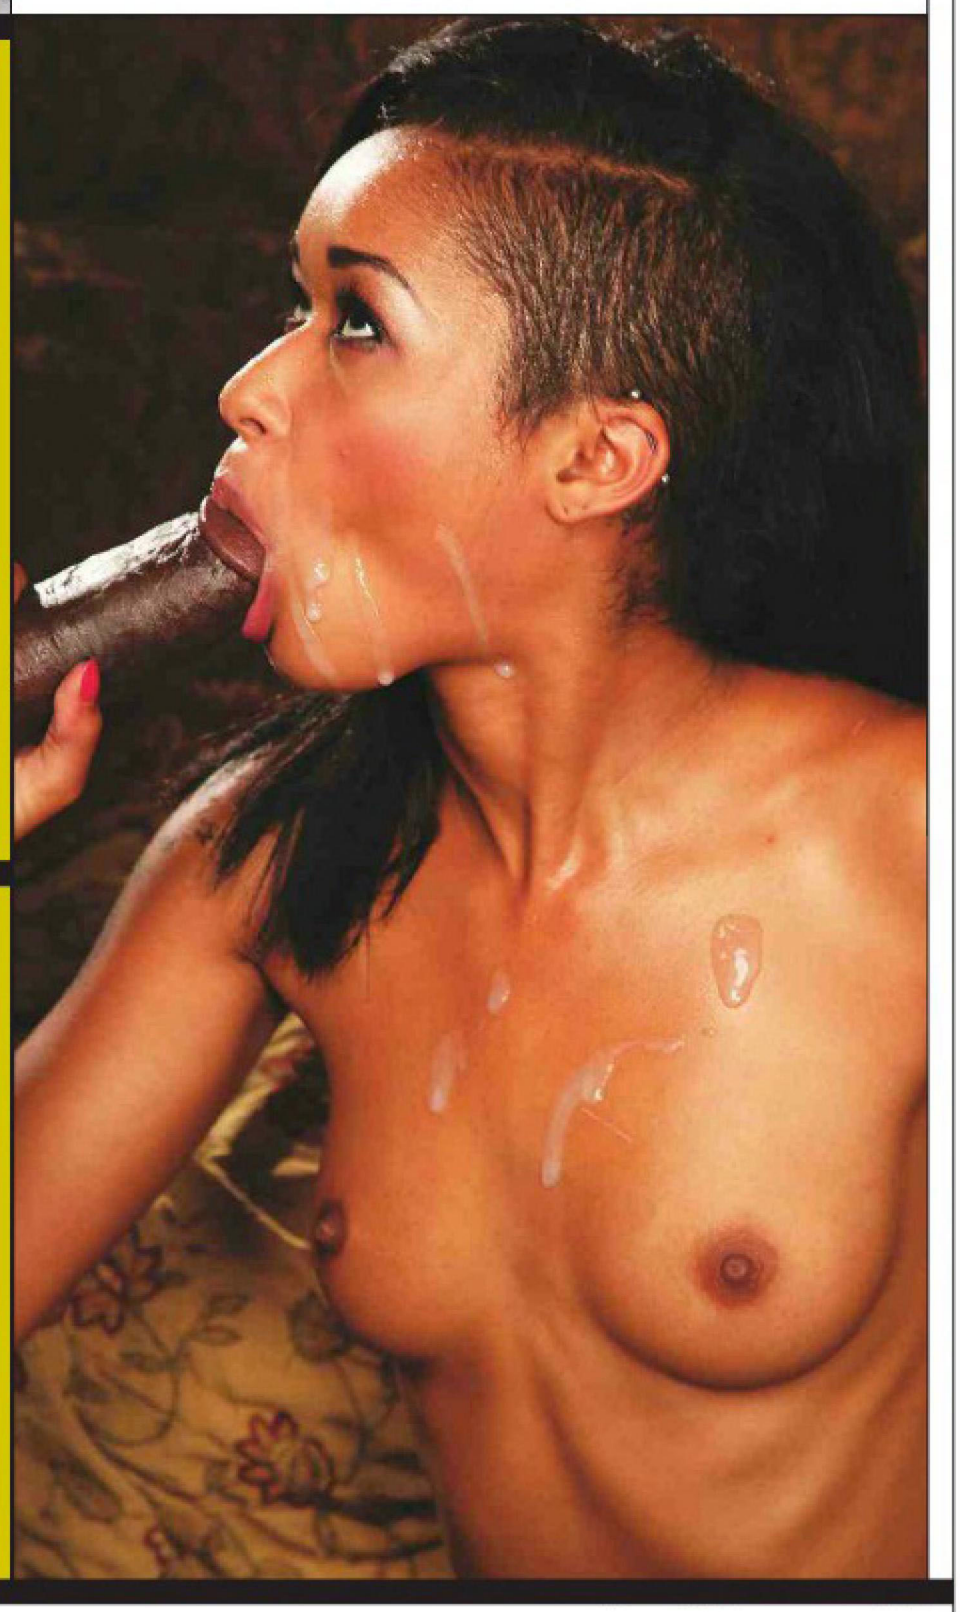
***SWANK:** Can you give us an example of one of those "perfect dates"?*
Diamond: Once in San Francisco, while visiting my cousin, I met this bisexual guy at the bar. Immediately, we locked eyes and hung out all night. We ended up going to a gay bar and danced. We stayed in touch for a long time, but nothing ever came of it since I lived in Scotland at the time. That was an incredible night. It was so random.

***SWANK:** That's incredibly random. Does anything else come to mind?*
Diamond: Yes, I once met this guy who was in a band. We



"My job is to get paid for having incredible orgasms. It's awesome!"

—S. Diamond



both had a mutual friend who was on tour in Scotland. I went out to see the band, had a great time, and ended up going on tour with them. It was a phenomenal experience. I woke up in Liverpool on the tour bus. It was so crazy. I pretty much disappeared for three days. Friends back at home, in my small town, thought I was crazy. I've had quite an interesting life.

***SWANK:** In the spirit of spontaneity, is it easy to get into your pants?*

Diamond: No, I don't really have the opportunity to mess around with people off camera, as often as I would like. I'm very picky with who I'll sleep with. But, I will say that having sex off camera is a totally different experience.

***SWANK:** Oh, how so?*

Diamond: While performing on camera, you can never fully relax. You have to be very aware of where the camera is at, your body positioning, and the light. Sex off camera, you can let yourself go. For instance, one of my favorite moves, one that would never work for the camera, is when the guy completely lays on top of me, holds me down, and fucks me hard. Blocking my body completely, would never fly in porn. The audience really wants to see my pussy and boobs.

***SWANK:** Would you please tell us about your most memorable lesbian experience?*

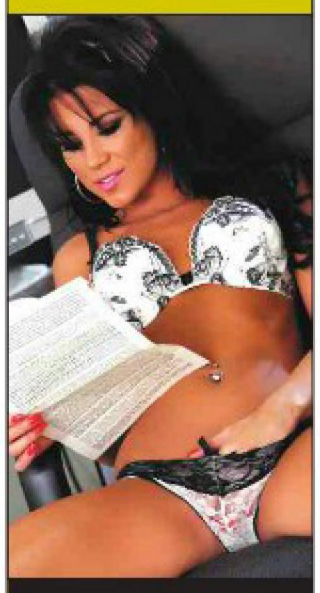
Diamond: My most memorable experience was an orgy that included one guy, although most participants were girls. Actually, it was the first time I had ever been fucked with a strap-on cock. We were drinking all night and ended up on my friend's custom made bed that had a pole in the middle of it. Really, he built this bed himself. So, basically, it was a bed made specifically for orgies. Watching the girl dancing around the pole with her strap-on was so hot! The rest of us were messing around with needle play and other intense fetish items. That was very memorable.

***SWANK:** Who has the most delicious tasting pussy?*
Diamond: Well, I love Lily Carter. She is so petite and sexual. If anybody asks me who I'd like to work with, I always say Lily. She has a perfect little pussy. Whenever I go down on her, I get off on watching her beautiful eyes looking back at me. She is so damn hot. I have such a huge crush on Lily.

***SWANK:** Is Lily Carter the 'type' of girl you are attracted to?*
Diamond: I love girls who are petite and look young and innocent. Sexually, I'm usually very submissive, but with girls who look like Lily, I love being more dominant. A different side of me comes out and I want to pervert them more and do very nasty, dirty things to them.

***SWANK:** Speaking about traveling, what has been your favorite place to travel to, outside of the United States?*
Diamond: I really love Paris and London. When I was modeling, I spent a lot of time in London. Really, I was in London every other week. I lived in Edinburgh, so London was only a four hour train ride away.

***SWANK:** Do you enjoy cooking? If so, what is your specialty?*
Diamond: Yes, although I never have time to do it enough. Since I work so much, I find that if I buy tons of ingredients, they tend to go off before I can get to them. My favorite thing to make is stews and casseroles. I love throwing a bunch of ingredients into a pot and have it stew all day, collecting flavor. I'm also a master at creating and inventing crazy new sandwiches. I probably make sandwiches and grilled cheeses the most, since they are easy to throw together in a hurry.



"Having sex off camera is a totally different experience."
—S. Diamond

***SWANK:** Please tell us about your greatest sandwich invention.*
Diamond: I've invented a version of a grilled cheese sandwich that has English pickles in it, which is actually more like a pickled vegetable chutney than actual pickles. To that, I add a slice of ham. It is so yummy!

***SWANK:** It seems as though you have more of a savory tooth than a sweet tooth.*
Diamond: Yes, I definitely tend to lean more toward savory foods. Although I love sweet food, too, I can eat a lot more savory foods. For instance, I can eat an entire block of cheese, but would never be able to eat an entire bag of candy. It would be way too sweet.

***SWANK:** What types of movies do you like?*
Diamond: I love watching Japanese horror movies and vampire movies. I enjoy movies that are dark and sinister. Their movies tend to deal more with the supernatural and with ghosts. Japanese horror movies mess with your subconscious mind, making you confused. Your own mind adds to the horror and the confusion. Ghosts scare me the most. In horror movies, there tends to be these unspoken set of rules that everyone knows about and abides by. For example, if you are under your covers, you are automatically safe. There is some kind of safety net that protects you once you are underneath. But, in Japanese horror, the ghosts destroy those unspoken rules and get underneath the covers with you. That is the scariest thing for me to see. To think that my safety net has holes in it is frightening.

***SWANK:** What is the most sensitive part of your body?*
Diamond: The backs of my knees are quite sensitive. It's such a neglected spot, that is very ticklish. Most people forget about that spot. Now, I've reminded them.

***SWANK:** Which performer is able to take you over the edge?*

Diamond: Nacho Vidal. One of my most intensive scenes of my career was with Nacho Vidal. He's very psychological in his sexuality. I've worked with a lot of doms and am a full-time submissive to a dom that works in the industry. That is one of the things that I like about my master, personally, is that he knows how to take my fear and have it become a positive emotion. He straddles the line and takes me over the edge, just enough to keep me engaged. He would never push me to the point where I'd break, but to a point where I say to myself, 'Wow, I can take that!' Really, I'm a lot tougher than I thought. Nacho knows how to straddle that line, sticking my toe over the edge before pulling me back.

***SWANK:** What is your favorite position for anal and for vag?*

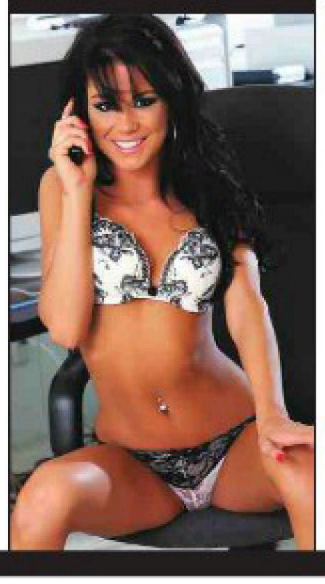
Diamond: For vag, I love missionary because I feel I can better connect with my partner when we are face-to-face. For anal, I prefer doggie. A good warmup position is spoon, but once I'm opened up and ready, I love a good pounding in my ass when bent over.

***SWANK:** For those people who would like to try anal sex at home, what advice could you offer them?*

Diamond: My advice would be to take things slow and get really comfortable with the sensation of having something in your ass. Getting railed in the butt is a really strange feeling the first few times you do it. But mainly, you have to be comfortable. Never force your body into doing something that you are not used to doing. If you do, you could run into problems, like tearing and that is not fun. Use a lot of silicone-based lube. Get your body ready by using a few fingers or a butt plug before attempting an actual cock.

"It's fun when you meet someone randomly and just go for it"

—S. Diamond



***SWANK:** Speaking of anal sex, do you remember your first time?*

Diamond: It was an accident, actually. The guy thought he was fucking me in the pussy. Poor thing didn't know what he was doing. When I told him, he didn't believe me. It was funny. I think I would know the difference!

***SWANK:** What do you think about when you masturbate?*

Diamond: Since I'm able to cum so quickly and often, I only masturbate when my master tells me to because it makes it more fun for me. With him, I can masturbate for hours. If I do it alone, I can cum in a few seconds. He makes me hold it in, until I can't stand it any longer. Eventually, I'll squirt all over my bed and then get mad at myself for making a mess on my fresh sheets. My withheld orgasms are so much stronger that regular ones. It takes immense concentration, breathing, and training, but is well worth the effort.

TURBO-D

FOR ERECTION PROBLEMS

American Indians discovered miracle drugs in nature; aspirin in birch bark, quinine in cinchona, digitalis in fox glove and DAMIANA, which they used to stimulate long, strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim **TURBO-D** is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

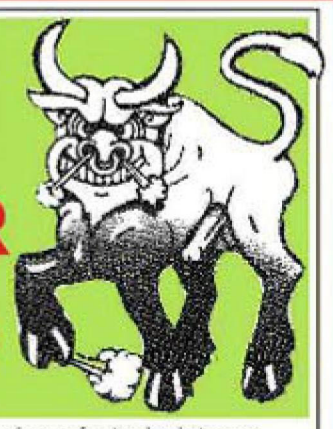
DO YOU WANT THE SEX POWER OF A BULL?



Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans...but if you'd like to WANT IT MORE and DO IT MORE...if you'd like a BIGGER STIFFER ERECTION that goes the distance. Tocopherol may be the answer for you. Tocopherol is completely safe for human human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

ALEXA FLEXES

I'm in for a hard workout today because it's hard to lose that last pound. Fernando has offered to help me with that. I order him to lick my pussy and I suck his cock to arouse myself even more. I hold my pussy lips open so his tongue can reach into every part of me. If he slows down, I tell him to speed it up. If it's fast, I tell him to do it faster.
Then it's my time to cum.
His too.

LIKE A PRO

Mom said the new tennis pro at the club seemed like a nice young man and maybe I would enjoy taking some lessons. Mom is always trying to match me up with somebody. And when I saw what a good-looking stud he was, I figured she was right about lessons.

"I need to work on my blowjobs," I said to him, all demure, with my eyes downcast. "I'm saving my pussy for when my handsome prince comes along, but in the meantime I figured I could learn a few other things while I'm waiting around. Right?

He was a couple of years older than me, and I would have thought a little more used to girls coming on to him, but he could hardly scrape his chin up off the court.

"I expect to get what I learn to give." I made my bargain very clear. "And a few free tennis lessons on the side. Okay?"

He managed to shut his mouth and give me a killer grin. "My place, six o'clock."

At 6:05, he was out of his tennis outfit and it was my turn to drop my jaw. He was really well built, if you know what I mean. And what I mean was I wasn't even sure I could get the head of the thing in my mouth, much less go down on any more of it.

I had watched a couple of porno flicks, but this guy was hung better than any of the guys I had seen the porno girls suck off.

I guess he must have seen the look on my face. "Why don't we do this together?" he grinned, killer dimples digging in deep. "We'll work on each other at the same time. And take your time; I like it nice and slow."

So there I was, facing this huge sausage while his handsome face was snuggling into my pussy, and I was thinking I couldn't even enjoy my first head, I was so intimidated.

Then he started licking and sucking on my clit. Just to keep from screaming out how great it felt, I put my mouth on the end of his dick. It was big and meaty and was already leaking and it tasted…different… from what I had expected.

It tasted pretty nice. And, of course, what he was doing to my pussy was really nice, too, so I felt I had to reciprocate. I started licking the grease off the end of his dick. From the way his body reacted, I knew he liked that, so I licked even harder.

His dick got really stiff and started throbbing, and the goo came gushing out the end. I licked it up and slathered it all over his shaft with my tongue and lips. He was sucking like crazy on my clit which was driving me to distraction but I had a job to do, and I wanted to do it well.

I popped the end of his dick in my mouth and began to suck him the way he was sucking on my clit. It was so fucking cool. His big hunk of beef in my mouth tasted wonderful. I wanted more. I opened my mouth wider and pushed my lips farther down the shaft. The end of his dick shoved against the back of my throat, and I thought I would gag, but I took a breath and sort of yawned. At the same time, he did something great to my clit that really opened my throat. My jaws closed over about half his meat.

What was going on in my pussy was fantastic his tongue was sloshing around like crazy and what was going on in my throat was amazing. My throat muscles were contracting and squeezing and kneading and milking his dick like mad.

I pulled my head back, dragging my lips up the shaft until I could feel his big muscles shiver. Then I waited for him to diddle me with his tongue. When he did, I pushed down again, relaxing my throat.

I must have gotten about three-quarters of him down me then. He groaned, and I groaned, and I tried to push my bush into his face as he sucked me off. Then I started pumping my head up and down his shaft, making it easier and easier to take more and

fun and games

There are times when a relationship stales a little bit and it just needs a little spark. Luckily for me, it was just a little game to be played. Yes, a real game. My wife and I had so much fun laughing when we played strip twister on our last Valentine's Day getaway. Neither one of us is super athletic so we kept overbalancing and landing up on the floor, laughing like crazy…stripping an article off each time I blew the position.

Needless to say, she had prepared by wearing a few extra items of

more of him.

When my nose hit the wet mat of hair at the bottom of his dick, I knew I was almost there. Sure enough, the next time I went down, I got him all the way in. It was amazing. His dick filled my mouth and went down into my throat, and all I wanted was more.

He bumped his hips into my face to help drive all of his meat into my mouth as I slammed my pussy into his face, trying to get more of my clit between his lips. We kept that up bumping and slamming, slamming and bumping until we both came.

I've had orgasms a lot. I mean, I can give myself a pretty good handjob, but I had never had a big dick stuck down my throat while I was fingering myself off before. It was super cool. A guy's big meat down my gut, with his mouth mauling my clit, was a feeling that I had never had, but I sure wanted to have it again and again.

Then I realized he had come and shot all his stuff down my throat. I hadn't tasted any of it. He had a face full of my pussy-juices and was trying to lap up every drop. It didn't seem quite fair. So when his dick got soft, I let it pull up out of my throat and drop out of my mouth. Then I went to work on his balls.

He had these big 20-year-old goose-egg nuts that snuggled tight against the base of his dick. When I started sucking on them, his shaft got hard as a rock again. This time when he came, I made sure to get enough so I could swallow it.

I liked the taste. But I don't get it any more. I wasn't paying attention when Mom asked me how my lessons were going. I told her I could take his entire dick without choking, which I thought was pretty good for an 18-year-old.

So I'm grounded.

But we have this really cute pool guy who comes around once a week….

Mindy, Nevada

STOP! – NO, DON'T STOP!

I gotta tell you about this date I had the other nite. I was clubbing with my guy and

clothing because I always lose to her. She even wins when we flip a coin! I got to have a wonderful show since the final items of so-called 'clothing' made my eyes really pop open with interest.

We had the greatest time as we laughed our way down to the bare essential. It was a sexy time and we probably caused the people below us to wonder what we were up to. We shared an outrageously sex-filled time together that weekend. One of my favorite positions is when the spinner says 'boobs on red.' My wife has an ample chest so when the spinner went red she had to put her boobs down. Each one on a red circle. We laughed so hard as she tried to make it work.

we were at this very upscale spot on the Vegas Strip on a Friday nite. It was one of those places where they had food and a dance club in the same place. We had been there before, but it was over a year ago and they say the place has gotten even better.

We got there a little late (as always) for our reservation, but by 10 pm we were sitting and eating. He had dressed up for me tonite and I was wearing a hot outfit I bought the day before. It was a short (of course) black number with rhinestones around the trim. It made my legs look great and was so low cut that I had to keep pulling it in so my boobies would not fall out. I was hot.

When we sat down at our table, my guy was a real gentleman. He pulled my chair out and suggested he order dinner for us. I was impressed. This was not the home boy I met two years ago. He was cool and we talked and laughed easily. Then he put his hand on my thigh, his fingers gently caressing the skin at the edge of my skirt. He made lazy circles right then left, and smirked as I tried in vain to concentrate on the waiter as he offered us the wine list. My mind was focused on his fingers, and the slow tantalizing feel of his touch.

I heard his voice say something to the waiter over the humming in my head. His eyes returned to me as a slow smile played on his lips. Leaning closer, he whispered against my neck, his breath playing on my skin. He told me how much he wanted me right there in the club.

As he spoke to me, his soft lips brushed my neck, his nose nuzzling my ear, his lips grazing my flesh with his teeth. Mumbling through my teeth I asked him to stop because he was making me horny. Well, that wasn't going to stop him, nor did I want him to.

He knows I want him to fuck me. It's written all over my face and I cannot hide it. Squirming in my seat, he nipped me again this time lower on my neck. I looked around the restaurant to be sure people were not staring at us.

(Bad timing, dude) The waiter shows

up just then and shows us the wine he selected. Quickly it was poured, tasted, and poured again, the red reflecting the light from the candles on the table. Under the table, I shifted my legs, his fingers never left my flesh. This time he swirled his fingers around my thighs, stroking them from my knees to my well, you know where. As he toasted us and smiling ever so sweetly, with long careful fingers I felt the fabric of my skirt lift. Sliding from the top into sensitive areas in between my legs. Ever so lightly, gently and with extra care he traced the inside of my thigh. I was squirming so much, it must have looked like I had ants in my pants.

Our meal ended as we polished off a second bottle of wine. He told the waiter to bring us dessert in twenty minutes. We listened to the music as it poured through the venue, calling everyone to get up and dance. Leaning into my ear, he whispered that he would love to dance with me. He maneuvered me away from the table and over to the dance floor. The first was a slow dance as his hands settled on my waist, his fingers spreading down over my ass. My breasts ached to be touched. My heart pounding as we moved to the music our bodies moving as one. Kissing the top of my head his fingers played along my back, up and down lulling me into sweet relaxation in his arms.

We swayed closely as he whispered into my ear how much he wanted me, and he wanted me now. I whispered back how much I wanted to use my tongue, fingers and lips to make him cum. That was enough. His lips crushed into mine, his fingers digging into my back, his tongue fighting against mine, the tangled dance of lust. My fingers ran up his chest on the inside of his jacket, brushing against his nips, causing him to gasp against my lips.

The music changed pace as it thundered around us, flowing in and through our bodies. We danced across the room into a dark corner. I found my back up against a wall, his lips against my neck, sucking gently. My body trembled against him, screaming for him to touch me and quench the fire that was burning between my legs. The beat of the music matched our heartbeat, kissing down my neck, he moved over the collarbone, down between my breasts, his hands running up my thighs under my skirt. Squeezing my ass, kneading it with his fingers, pleading for him to touch me.

I lifted my leg and put my weight on his shoulder as he knelt in front of me. His tongue touched my wetness, I felt him sigh against my clit, as he pushed my thong aside with his teeth. He buried his tongue inside of me. His tongue was furious as he tasted my sweet nectar, swirling my juices with his as my body bucked against him.

All I could hear was the music pounding in time to my heart, his hands on my ass, long fingers caressing my butthole as he thrust his tongue into my vagina and then played tongue games with my clit. Biting me gently, pulling my lips with his teeth, he inserted a finger into me, which sent me over the edge. I convulsed around him, my pussy vibrating against his mouth as his tongue and fingers undid me right there in the club.

The house light came back up and quickly he pulled my panties back up, tugging my skirt down he gently took me in his arms. He whispered in my neck how fine I was and I could smell myself on his lips, the smell of sex. Slowly we danced our way back to the dancefloor and then to our table. Dessert was waiting.

– Astrid, Las Vegas

She got her biggest laugh when I had to put my butt on blue, but I was facing the wrong way and took a hard fall on it. She came over to kiss it and make it feel better. Then I told her I hurt my penis and she started kissing it. Well, you know the rest: The game was over and we immediately jumped onto the bed to finish. We took the spinner with us and instead of having to put body parts on the board, we had to put them on each other. After about two spins each, the spinner lay abandoned on the floor.

We're still trying to figure out how we can turn Old Maid into a sexy game. I'll write and let you know when we accomplish it.

There's nothing like a clean car, except a clean mind and body. With nothing to do today, I'm washing my sweet ride so I can cruise around and whistle at guys. Little did I expect to be getting so wet that I had to start touching myself. Soon I dropped the sponge and grabbed the dildo.
